

Prodigal Luke 15:11-32

What the Younger Son is Really Saying

1. I don't want my father.
2. I don't need my father.
3. I don't believe my father.

What the Father is Really Like

1. The Father is as prodigal in his love as the son is in his sin.
2. The Father is as quick to restore as his son was to rebel.
3. The Father is as forgiving as his other son is condemning.
